NLA Annual Meeting

December 10, 2020

The PLTS Executive Board originally planned tours of new or remodeled libraries for the four days of Spring Meetings this year; however, just after registration opened, the pandemic required the meetings to be cancelled. People seemed to like the idea, though, so if it is possible to hold meeting next year, this program may be used again.

As the NLA Conference also had to be cancelled, three presentations based on conference-proposals were hosted by PLTS via Zoom and were well attended: Pat Leach (Lincoln City Libraries) discussed ALA Notable Fiction Books in September and ALA Notable Nonfiction Books in October, and Erica Rogers (Hastings Public Library) talked about makerspaces in November.

With help from the Executive Board, PLTS recruited a full slate of candidates for the positions of Vice Chair/Chair-Elect and Secretary/Treasurer.

The PLTS Annual Business meeting was held in October where election results were announced: Sarah Johnson from Geneva Public Library is the incoming Vice Chair/Chair-Elect and Cecelia Lawrence of North Platte Public Library will be the Secretary/Treasurer.

Respectfully submitted,
Devra Dragos
Chair
