NLA Game Night:
DnD and Librarians and Cats
My Favorite Pandemic Game

Let’s celebrate a return to in-person events by participating in community and games!

This event will feature:

“DnD and Librarians and Cats”

We will have two DnD rooms, one for new players and one for intermediate/advanced players. For the new players, we will have everything prepared, including characters, dice, tokens; all you have to do is play and have fun. The sessions are cat-themed, and will take 2-3 hours to play. Players can sign up in advance, or you can just drop on in if you feel like it. Spectators are also welcome.

“My Favorite Pandemic Game”

Bring the game you learned while you were in lockdown or quarantining and play it with others. (Or just bring a game you love – we won’t be strict about when you learned it.) If you don’t have a game, just show up, and play someone else’s. Spectators are welcome here, too.

Snacks and drinks will be available.
Event starts at 6:30 pm.
